LOVE WOODROW

RR

You've got to love Woodrow,
It's our kind of estate,
We may have had a few issues,
But we're still flippin' great!

We've been wrestling through some difficult times
And dealt with inclement weather,
But we've seen the effects of positive change,
When good people get together.

We've gotten a bit creative
Over the past few weeks and days,
A community bursting with talent,
In so many different ways!

A mural remembering our history,
Inspired by the jewels who live here,
Beauty and class that's captured in glass,
Because Woodrow has so much to give here.

People are now prouder to live here,
The area is brighter and better,
A neighbourhood you can cosy up with,
Like a comfort blanket or sweater.

So, today's been a celebration,
Samba beats and community vibes,
We've even had spacemen in our parade,
Great people from so many tribes!

So feel the warmth of B98
And tread happily as you go,
Embrace the unity in this community
And don't forget to... love Woodrow.
